Brooklyn Oak

Brooklyn is a truly exceptional range of Oak furniture with up to date styling and an incredibly comprehensive selection of items. Manufactured from top quality timber carefully selected from American and Russian White Oak and hand finished with pure Tung Oil to enhance the natural beauty and texture of the timber, whilst providing a most durable and environmentally friendly finish. With the exception of OA040 Extending Table, which features selected Oak veneers in the top panels for complete stability in all conditions, the Brooklyn range is manufactured from solid Oak throughout. We recommend periodically re-oiling to protect and preserve the finish.
