

Fabulous furniture and gifts galore

Win a special prize from House of Gifts

Looking for an unusual gift at a reasonable price? You could take a trip to Chelsea and browse in the Kings Road – but with House of Gifts so conveniently situated in the Aldsworth Parade, Goring, you can find what you're after much closer to home. Owned and run by husband and wife team Adam and Charlie, House of Gifts stocks award-winning jewellery and ceramics, lighting, home furnishing items like glassware, clocks and mirrors – and an eclectic mix of gifts.

But there's so much more to House of Gifts than the items you'll find in store.

"We represent some of the UK's finest furniture manufacturers, like the Valbonne, Chateau and Belgravia Collections," explains Adam. "Come and enjoy a cup of coffee while you browse through our in-store catalogues. There's a terrific range of accessories, antique reproduction and contemporary furniture, garden ornaments and some really fantastic lamps."

If you've ever fancied the idea of having your favourite image

or photo printed on to a ready-to-hang-canvas, now's your chance. House of Gifts can do this for you – and can even print the image on to a personalised deck chair. How's that for an innovative gift for someone special?

"If you want the style of furniture that sells in stores like Harrods or Laura Ashley but at a fraction of the price, come and talk to us," says Charlie. "And because we're situated out of town, with really easy parking, there's no stress and hassle involved. Just relax, browse and choose something gorgeous."
